**Subject:** Early Draft of AltEn NPDES Permit

Hello,

NDEE has written a draft NPDES permit for the AltEn facility. NDEE has provided the draft to AltEn for a short review prior to Public Notice.

Ex. 5 AC/DP

## Ex. 5 AC/DP

I've attached the draft package (see Revised). There is a draft permit in the first part, and the fact sheet explains the changes to the new permit and the calculation of limits. The application is also attached.

There are other documents that apply, and they are found on the portal: <https://ecmp.nebraska.gov/publicaccess/viewer.aspx?&MyQueryID=340> Facility # is 84069.

Could use some help in review.
